Kathryn Hayes Photograph

Kathryn Hayes is a professional photographer, videographer, and content creator. She has a deeply rooted appreciation for the outdoors, of which stemmed a vast love for imagery in nature. In an effort to contribute locally and give back, a portion of all proceeds from her print sales each year go to The Glacier Conservancy, Whitefish Legacy Partners, and Glacier-Two Medicine Alliance.

Kathryn’s work has been shown in a variety of print publications and online resources, and on display in a handful of fine-art galleries across the Western US and Canada. She takes pride in paying close attention to light and framing, aiming to provide you with a minimally edited final product, in the true essence of the moment captured.

Thank you for your interest in my work!
